300 Come Here To Conference

Attendance at Parley Of Teachers Exceeds All Expectations

Far exceeding expected attendance, 300 educators, elementary school principals and superintendents attended a conference of the bay section of the California Elementary School Principals' Association all-day Saturday at McKinley School.

Nearly half the number attended the luncheon Saturday noon at Sequoia high school, where County School Superintendent Pansy Jewett Abbott and William J. Burkhard, president of the association, extended greetings to visitors.

One long morning session, divided into two sections, and an afternoon business meeting occupied the conferees. Scope and sequence of major learnings in the curriculum, and presentation of the teachers' guide to child development in the intermediate grades were the topics treated in the morning sections, with group and panel discussion.

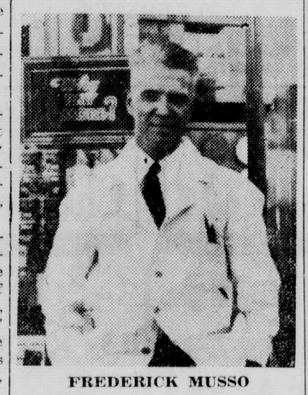
Main speaker at the conference was Paul R. Hanna, associate professor of education at Stanford University, who spoke on "The Language Arts in the Integrative Curriculum."

When Fred Astaire is hard put to evolve a new step, he wears his "lucky" shoes, a pair he has had for years.

New Musso Store Ready

$3000 Sum Expended On Remodeling Of Interior

Completely remodeled at a cost of approximately $3,000, the Musso Drug Company opened a modernized store to the public yesterday and at the same time celebrated the 10th anniversary of the founding of the business in Redwood City.



FREDERICK MUSSO

Frederick G. Musso, proprietor, came to Redwood City from San Jose in 1926 and opened a small drug store at 763 El Camino Real, just a few doors north of his present location. The business expanded rapidly and on October 11, 1929 he leased the corner of Broadway and El Camino Real where the store now stands. The opening of that store was one of the largest mercantile events staged in Redwood City up to that time, the opening announcement making use of five pages of newspaper advertising.

After a thorough study of modern drug merchandising methods Mr. Musso decided to completely remodel his store and now presents it for the approval of the public.

The latest fixtures, providing greatest convenience for the customer, have been installed and all merchandise is open for quick selection.

The prescription department has been completely rebuilt to meet the ever increasing needs in this important phase of the drug business. It is now more than twice its former size and is scientifically arranged for efficiency and speed in handling this work.

The windows of the store present an entirely new appearance and display many items, all plainly marked. The most modern and powerful lighting system available for window displays has also been installed giving a true daylight vision of the merchandise.

The remodeling of the store was under the direction of Frank L. Kirby, drug merchandising expert.

Yule Streamer Lighting Ready For December 3

2000 Bags of Candy And Santa Claus Await Kiddies

First of Redwood City's preparations to usher in the Yuletide season was seen Monday when electricians began stringing lights across downtown intersections and in the center of long blocks.

The lights marked preparation for the big Yuletide party of Redwood City merchants, which will be held on Thursday evening, December 3, promptly at 7:15 o'clock.

DECORATIONS READY

Acting City Manager C. L. Dimmitt announced that plans for Christmas decoration of the city were complete. This will be the first time that the streets have been strung with colored lights, he said, and will be a big improvement over the former custom of decorating the light posts with greenery that became faded and brown as the season neared its height.

The lights will be turned on December 3. The electricians were engaged in fastening rings to buildings to support the colorful streamers that bridge the streets.

The lights are being provided through contributions of merchants and by city funds provided by the city council. About $375 is being expended by each toward the lights. Additional lights will be added each year until the whole business district has been thoroughly lighted.

CANDY AWAITS CHILDREN

For the December 3 occasion, Santa Claus, armed with 2000 bags of candy, will be here, coming at the invitation of the Retail Division of the Redwood City Chamber of Commerce.

A festive welcome is being prepared for him by members of the merchants committee and arrangements are being made to handle a record crowd of children and adults who are expected to flock to the business district for the occasion.

More than 2000 bags of Christmas candy will be available and will be distributed to children under 10 by Santa himself, with a corps of workers as assistants.

He will parade through the business district, then return to a location directly in front of the courthouse where the distribution will be made.

MAJOR FEATURE

Walter Lynch and Kendall B. Towne are handling the details of the event which is one of the major features of the holiday season in Redwood City.

Assisting Lynch and Towne on the committee are the following: W. D. Ryan, W. E. Ayer, Harry Meyer, Manuel Frago, Michael Hoffman, Clarence Choate, Joseph Baugh, Charles Nelson, Thomas Joaquin, Ernest Lock, Bob Steffens, V. A. Jones, Simpson Reinhard, John Rolla, Walter Hilton, Fred Musso and George McQueen.

NEW OLDSMOBILES SHOWN AT LOCAL SHOWROOMS

The 1937 Oldsmobiles now on display at the showrooms of Fred L. Brown at 334 El Camino Real feature longer, lower, roomier and more comfortable bodies with corresponding improvements in both performance and operating economy.

Store Windows Will Again Vie For Big Trophy

As an added feature of the annual Christmas party being staged on Thursday evening, December 3, the competition for the best decorated merchants window will again be sponsored by The Tribune.

The Tribune trophy for this annual event is now held by Bob Steffens, the winner in 1935. Previous winners were The Little Shop in 1934 and Reinhard & Company in 1933.

Merchants this year will be required to officially enter the contest by filling out an entry blank appearing in The Tribune.

Judges will be window display men and they will award points on the basis of originality, sales appeal and attractiveness.

LONG ILLNESS FATAL

BURLINGAME, Nov. 18.—Alexander Lera of this city passed away yesterday following a long illness. Lera is survived by a wife and two children. Services have been arranged for Thursday by the William Crosby Mortuary.

Davies Reports Flood of Orders For New Models

With a record-breaking bank of 47 bonafide orders now being filled as a result of a premiere showing on November 7 and an exclusive Tribune advertising campaign, the Davies Auto Company entered the 1937 selling season for Chevrolet with the brightest outlook in their history.

According to Al Davies, proprietor, the public has received the new model Chevrolet with far more favorable enthusiasm than at any previous model.

Reasons behind this avalanche of orders are declared by Davies to be immediate public acceptance of the new Chevrolet appearance, the new valve in head motor, the new silent safety body and the marked emphasis on safety throughout the entirely new cars.

Both the body and the chassis of the new 1937 Chevrolet reflect its designers recognition of safety as one of the primary requisites in the modern automobile.

Safety provisions in the new models are of two general kinds, namely—these making for greater strength and stability in the product itself and those affording the driver a greater ease of control.

Honorable Mention Given Local Float

Plans to show San Mateo county's bay bridge celebration float, which was given honorable mention by parade judges, in Redwood City were cancelled today by Publicity Director William McCarthy when storage batteries supplying power to light the display failed.

Sufficient money is not available in his budget to replace the batteries, McCarthy said. The float was shown yesterday in Burlingame and San Mateo.

In addition to the float award, San Mateo county achieved honorable mention for its South San Francisco Native Sons entry.

Preventorium Drive Begins

County Funds Asked For Tuberculosis Prevention

Scores of peninsula citizens joined today to launch the annual drive for Thanksgiving Day funds for support of the San Mateo Preventorium, a local institution credited with saving 300 of San Mateo county children from tuberculosis.

Established in 1920, the Preventorium, supported solely by public subscription, has been dedicated to the care of children who it seemed would fall victims to the malady.

This year the Preventorium drive for funds goes "on its own" and will have no connection with the sale of Christmas Seals. The sale of the seals will continue, however, as heretofore.

Members of the organization point out that by confining subscriptions directly to the Preventorium this year it will not be necessary to turn over to the state 25 per cent of the collections as was the case in the past.

A new insignia has been adopted by the Preventorium, it was announced by Mrs. Harry S. Dana, president. It depicts two smiling children, a nurse and a shield bearing the words "health, knowledge, happiness."

Officers of the Preventorium organization are Mrs. Harry S. Dana, president; J. E. Morrish, first vice president; Mrs. Charles Foster, secretary, and Mrs. C. W. Martin, treasurer.

Besides the above, the board of managers is comprised of George Arthur, J. D. Bromfield, Frank Burrows, Mrs. Hillyer Brown, Mrs. I. I. Brown, Mrs. Baraby Conrad, Edward F. Harrison, Mrs. W. W. Holt, Mrs. Robert Hooker Jr., Robert E. Hughes, Mrs. H. Kempf, R. C. Lane, Mary G. Lansdale, Mrs. Maurice Liebmann, Mrs. P. N. Lillienthal, Mrs. Henry C. Maier, J. C. Nowell, Mrs. Harry Poett, Rev. M. R. Power, Mrs. Cyril Tobin, Mrs. Frank Schwabacher, Mrs. L. Strassburger.

Mysterious Charges Face S. M. Policeman

SAN MATEO, Nov. 16—Formal but mysterious charges were filed today against Tom Connor, veteran of 12 years service with the San Mateo police department, who was suspended by Chief of Police Thomas Burke last week.

Neither Burke nor City Manager Earl P. Wilsey, who has the power to discharge Connor, would reveal the nature of the charges which will be heard at a private session tomorrow at 3 p.m.

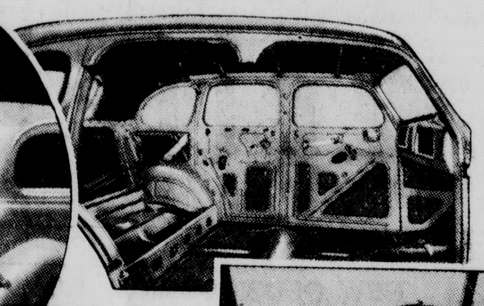
NEW 1937 CHEVROLET RECEIVES SPLENDID RESPONSE FROM PUBLIC

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.



Unisteel construction joins the floor, cowl assembly, panels, and Turret Top of Chevrolet's all-silent, all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

New power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Knee-Action is furnished at no extra cost on the Master De Luxe models; and new Syncro-Mesh transmission, and safety plate glass all around at no extra cost, feature all models of both series.

MENLO PARK NEWS

The "twenty-five years ago today" column that will appear in this paper that many years hence will probably contain the following item: "George Nunn and his son, Lionel, passed over the San Francisco-Oakland Bay Bridge on Sunday, November 15, 1936. Three hours were spent in making the trip. Mr. Nunn came through the Golden Gate to San Francisco from England 50 years ago."

Many from here attended the funeral of Mrs. James Cox in San Francisco last Monday. The deceased was born in Louisville, Ky., but came to Menlo Park as a child with her parents, who were pioneers of San Mateo county. She was formerly Miss Mary Ann Maloney and was married in the Church of the Nativity, Menlo Park, 50 years ago by the late Father M. O'Riordan. Mrs. Cox attended the local grammar school. After her marriage to James Cox, she moved to San Francisco and of late years engaged in welfare work. Her husband passed away two years ago.

Mrs. Cox is survived by seven children. Her grandson, Roy Spooncer, is a student at St. Patrick's Seminary and will be ordained a priest in two years. Mrs. Catherine Derry and Mrs. Cornelius Maloney are sister and brother of the deceased. Mrs. Cox's father in the early seventies was superintendent of the Leland Stanford home, now the convalescent home for children.

Miss Esther Marie McCann, well-known in Menlo Park, passed away in San Francisco Tuesday after a long illness. The deceased is survived by her mother, Mrs. Sarah McCann, who was born and reared in Menlo Park and is the daughter of the late Mr. and Mrs. P. Lenehan, and by the following brothers and sisters: Thomas A., Joseph, Frank P., and Bernard W. McCann, Mrs. J. Buick, Mrs. B. Talcott, Mrs. P. Conger and Sister Mary Esther of St. Joseph's Carondelet, San Francisco. Mrs. J. J. Doyle of Atherton was her aunt.

Miss Phyllis Baldwin, who passed away in San Francisco last Friday, spent a portion of her girlhood in Menlo Park with her uncle, the late P. H. McEvoy. After her graduation from Notre Dame convent, San Jose, she became a sister of mercy, but left her convent some years ago to teach. Her father, the late Dr. Baldwin, was county physician for some years, living at San Mateo, where he had an office.

A bazaar for the benefit of the Menlo Park Catholic Church will be held in the Hall of the Nativity on the third and fourth of December. The ladies of the parish are working like beavers to make the affair a complete success.

Mr. and Mrs. George Angus have returned from a motor trip to Boulder Dam. They marveled at the vast structure and engineering feat shown in the undertaking.

The Boy Scouts of Las Lomitas district will give a whist party in the Central School auditorium Tuesday evening, November 24.

The last of the Martinez family, descendants of General Maximo Martinez of the Mexican army who was given a 13,000 acre grant of Portola land as pay for his services to his country, Joseph Martinez and his sister, Mrs. Joseph Boos, both died last week in San Jose and were buried Monday at Santa Clara Cemetery.

Part of the original Martinez grant was a portion of what later became the Stanford estate. Upon death of the general in 1863, it was found that he had willed all his property to his children, who included Antone Martinez, father of the pair who so closely followed each other in death.

County historians recall that the general is buried in an unidentified grave on the old St. Dennis property on the Sand Hill road, three miles from Menlo Park.

Mr. and Mrs. E. H. Williams of Menlo Park are the parents of a son born November 13 at the Palo Alto Hospital.

Twenty counsellors of Campfire Girls in Berkeley were visitors last week at the Allied Arts Guild in Menulo Park, where they had luncheon.

The Women's Guild Auxiliary of Trinity Episcopal Church, Menlo Park, are conducting a food sale today in the Peninsula Creamery, adjoining the Menlo Park Post Office.

Mystery 'Body' Found To Be Quite Lively

The mysterious "body" reported Saturday by a man believed intoxicated as having been seen along Skyline boulevard was found to be an itinerant whose occupation is gathering papers and rags in burlap sacks, Undersheriff Lawrence Nieri said today. The man was found late Saturday near the San Francisco county line, plying his trade. Nieri said that it is believed he had been sleeping or resting alongside the highway when seen by the inebriate.

Modern Accounting Urged for County

C. H. Uhlenberg, Redwood City accountant, today proposed in a letter to the board of supervisors that he be empowered to install, with aid of the controller, a "modern and simplified" accounting system for the county, as recently proposed by the Civic League. The request is to be considered by the board at its meeting next Monday.

The government has estimated the annual cost of weeds to the American farmers at $3,000,000,000.

Thanksgiving Services Set

Armistice Day Rites Observed By Vets At Local Church

With observance of Armistice Day now behind them, Redwood City churches today were making plans for Thanksgiving services November 26.

According to announcements made in churches Sunday, the union services this year will be held in the First Methodist Episcopal Church at 10 a.m. on Thanksgiving Day. The Rev. C. E. Ward, pastor of the Congregational Church, will be the speaker. Protestant churches of Redwood City and vicinity will join for the services.

Armistice Day was observed by veterans' organizations last night when they met at the First Baptist Church, with Rev. C. H. Gatchell bringing the sermon on "The Lone Man."

One other special service was held locally yesterday when Dr. Tully C. Knoles, president of the College of the Pacific, gave the sermon at the Methodist Church in honor of the 11th anniversary in the present building. At the services he installed newly-elected officers of the Epworth League.

NAVY RESERVE AT FIRE

Men of the United States Naval Reserve and not Sea Scouts aided Palo Alto firemen in the Thoit's store fire in Palo Alto, November 11, Arthur C. Adams, commanding officer, disclosed today.

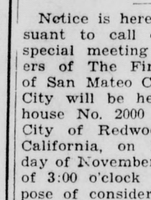
"BETTER VALUES AT LOWER PRICES"



Menu Flashes by Joan Andrews

"I say it's spinach and I say I like it!" For applause in the form of requests for "seconds," try this spinach nut ring. Chop up three cups of cooked spinach and add three beaten eggs, half a cup of bread crumbs, three quarters of a cup of chopped nuts, a quarter of a cup of melted butter, and some salt and pepper. Turn into an oiled ring mold and bake in a moderate oven about half an hour, until firm. Turn out the mold and fill the center with buttered potato balls rolled in finely chopped parsley or mint.

This spinach nut ring wouldn't be half so good without butter — good butter. So be sure to make it with Golden State Butter, fresh and delicious. If you always ask for Golden State Butter, you will always get the best butter it is possible to produce.

New Dirigibles Again Urged

Moffett Field Hopes Boosted As Navy Hears Plea

Possibility of rehabilitaton of the Sunnyvale naval base was seen today by Moffett Field boosters in announcement from Washington that despite the Akron and Macon disasters, the navy high command is studying recommendations for resuming development of big, lighter-than-air dirigibles.

The Associated Press reported that a new construction program has been recommended by the bureau of aeronautics, according to the annual report of Rear Adm. A. B. Cook, chief of the bureau. The report also asked increases in the navy's combat airplane strength, aviator personnel and shore facilites for them.

Admiral Cook noted that his predecessor, Rear Adm. E. J. King, had recommended to Secretary Swanson last May a continuing program of dirigible construction in line with a report presented by a committee of scientists, headed by Dr. W. F. Durand of Stanford University, which studied the question for almost a year.

Both the report and the bureau's recommendations now are being considered by the naval high command and are expected to form the basis for a final determination of policy with respect to large lighter-than-air ships. Congressman John J. McGrath of San Mateo also is considering the problem and likely will be the leader in congress of the move for more dirigibles.

Persons walking on highways in California are required by law to face oncoming traffic by walking on the left hand side.

Bake a Cake This Week

COCONUT LAYER CAKE

2 cups sifted Swans Down Cake Flour
2 teaspoons Calumet Baking Powder
2/3 cup butter or other shortening
(3 eggs) 3 eggs, unbeaten
½ teaspoon salt 1/3 cup milk
1 cup sugar 1 teaspoon vanilla

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating well after each addition. Add flour, alternately with milk, a small amount at a time. Beat well after each addition. Add vanilla. Bake in two greased 9-inch layer pans in moderate oven (375 deg. F) 25 to 30 minutes. Double recipe to make three 10-inch layers. Spread Seven-Minute Frosting between layers and on top and sides of cake. Sprinkle each layer and outside of cake thickly with Baker's Coconut, Southern Style, while frosting is still soft.

SEVEN MINUTE FROSTING

2 egg whites, unbeaten 1½ cups sugar
5 tablespoons water 1 teaspoon vanilla
1½ teaspoons light corn syrup

Put egg whites, sugar, water, and corn syrup in upper part of double boiler. Beat with rotary egg beater until thoroughly mixed. Place over rapidly boiling water, beat constantly with rotary egg beater, and cook 7 minutes or until frosting will stand in peaks. Remove from fire, add vanilla, and beat until thick enough to spread. Makes enough frosting to cover tops and sides of 2 9-in. layers.

MAKE MERRY IN REDWOOD FILM

William Powel and Ginger Rogers, in one of the many hilarious scenes from "Star of Midnight," coming to the Redwood Theatre on Sunday. On the same program is the 1935 prize-winning picture, "The Informer," starring Victor MacLaglen.

Folger Estate Goes To Wife, Daughters

In a simple will of only 142 words, written by hand 29 years ago, Ernest R. Folger, head of the J. A. Folger coffee firm, disposed of his wealth to his wife and two daughters, it was disclosed here with filing of his will for probate.

To his wife, Elizabeth Moffitt Folger of Hillsborough, Folger, who died at Belmont November 7, left "all my interest in the Folger Estate Company and all other property real and personal" he owned with two exceptions: 200 shares of stock in the J. A. Folger & Company firm were left to each of his daughters, Mrs. Eleanor Folger McNear and Mrs. Elizabeth Folger Miller, both of Hillsborough.

BENNY AND ALLEN AT SEQUOIA

Jack Benny and Gracie Allen, in a scene from "The Big Broadcast of 1937," which opens a three-day engagement at the Sequoia Theatre Sunday, bringing to the screen such great stars as the above couple, George Burns, Bob ("Bazooka") Burns, Martha Raye, and Benny Goodman and his orchestra. On the same program will be "15 Maiden Lane," with Claire Trevor and Cesar Romero.

After riding the same bicycle to work for 26 years, John E. Teter, Hutchinson, Kan., ice man, was obliged to walk to work when his old-fashioned, high-wheeled bike was stolen.

Sheriff O. L. Betts of Floyd county, Georgia, is said to be as accurate with a slingshot as most persons are with a rifle. He always carries one in his pocket and has another in his desk.

Lying unclaimed with the U. S. treasury, Washington, D. C., are $17,000 due employes in the Mare island navy yard for overtime between March 21, 1878, and September 22, 1882.

Winfield, one of the larger Kansas cities, checked in a recent monthly report of fire losses at an even $5. There were only six alarms and the only damage was to automobiles.

The Virginia state department of agriculture published an agricultural economics bureau report predicting a smaller meat supply in 1937 than 1936 and "probably" as small as in 1935.

Arthur Betts, engineer, traveled 1300 miles from French Guiana to Kinderhook, N. Y., for treatment for bullet wounds in the chest and arm received in refusing to help convicts escape.

CLEAN, SAFE, HURRY-UP HEAT FOR COLD ROOMS

PORTABLE electric heaters are a necessity in California homes. Chilly mornings and evenings are typical of our California climate. Often a little heat for a little while is all that is needed. That is where the portable electric heater renders perfect service.

In thousands of California homes in sewing room, nursery, nook or bathroom, electric heat solves the cold hands and cold feet problem of winter. Why not put one of these three electric heaters in your home this week? You'll be thankful a thousand times for the efficient, low cost service of EXTRA QUICK HEAT your portable electric heater will give you this winter.
